Back To Normal

It is with a great deal of pleasure that we here at Kirkland's anticipate your visits in person this year. We hope the removal of wartime restrictions will permit many of our good garden friends to call again and inspect our nursery and plantings. If you are unable to visit us, phone or send in your orders by mail, and we assure you they will receive our prompt and careful attention.

We have an abundance of all kinds of choice nursery plants awaiting your inspection and selection, and we look forward to serving our many friends and customers again this season with the finest and most complete selection of garden plants ever offered. The items you will find within the pages of this catalog represents everything that is really good in garden plants for this locality.

During the past emergency we have constantly maintained and added to the plantings in our fields anticipating the present period of shortages now existing. There is no shortage of good nursery stock at Kirkland's. New and better varieties of plants have also been added as they have been found to be worthy of a place in your garden.

FOR "GARDEN ARISTOCRATS"—TRY KIRKLAND

Kirkland's Roses

This year we are most fortunate in being able to offer you the following comprehensive list of the world's finest roses for your garden. The demands of war have greatly curtailed the number of plants available to rose lovers this season. However, the quality remains the same.

Our friends and customers show by their recurring orders that our Rose bushes give satisfactory results. The plants offered are full of pep and vitality, the finest obtainable anywhere, and they will give you the utmost in pleasure and satisfaction. **QUALITY** counts—the quality that is synonymous with the name **KIRKLAND**.

The plants offered at these prices are strictly two-year-old, field grown, number one grade; the best you can buy. There **IS** a difference.

The New Aristocrats of the Rose World

From the many new Patented varieties offered in recent years that we have tested, we have selected **ONLY** those listed below to recommend to you. They are the cream of the crop.

ALICE STERN

Long pointed, perfectly formed large white buds. The flowers are very large and double, ivory-white, tinted cream in the center. Vigorous, upright growing plants, with dark, bronzy green foliage. One of the best white roses grown. \$1.25 each.

CHARLOTTE ARMSTRONG

Long, slender, blood-red buds open to immense blooms that are freely produced on one of the tallest, most vigorous rose plants we know. Very outstanding. Highest winner in "All America Rose Selections" for 1941. Pat. No. 455. \$1.50 each.

COUNTESS VANDAL

Long artistic buds, a rich blend of pink, copper and gold, borne singly on long stiff stems that are ideal for cutting. The "Countess" has become famous wherever roses are grown. You cannot buy a more beautiful or successful rose for your garden. Pat. No. 38. \$1.25 each.

CRIMSON GLORY

Acclaimed the finest new red rose of the past several years. The full, well formed, fragrant blooms are a dark vivid crimson, with a velvety sheen, on a big husky floriferous plant. We can recommend this variety very highly. Pat. No. 105. \$1.50 each.

DOUGLAS MAC ARTHUR

"The Commander's Rose." The strong bushes send up numerous shoots which are loaded with an unbelievable number of buds of rose, gold and salmon which are exquisitely blended into a flower of regal beauty. Tall and vigorous plant which requires no coddling. Patent Pending. \$1.50 each.

ECLIPSE

Long, yellow, streamlined buds, enhanced with ornamental sepals. Has been a consistent medal winner on its perfect form wherever displayed. A prolific bloomer on a strong, upright growing bush. Chosen "Queen of Show" several times. Pat. No. 172. \$1.25 each.

FLORADORA

A most dazzling and attractive large flowered floribunda of cinnabar-red. The flowers are carried in sprays of 6 to 12 blooms, and each slowly opening miniature bud is exquisitely formed, and the fully double, open flowers look like perfect little camellias, 2 inches across. Perfect for corsages and small bouquets. The tall, glossy-foliaged plants reach 3 feet with ease. Floradora is one of the "All America Rose" winners for 1945. Patent Pending. \$1.50 each.

HEART'S DESIRE

A new rose last year, which we are happy to recommend, after careful observation in our test gardens. Exquisite, slender buds of deep velvety red, which do not fade. True, rich old-time rose fragrance. Very tall, vigorous grower. Highest winner "All America Rose Selections" 1942. Pat. No. 501. \$1.50 each.

HORACE McFARLAND

One of the three 1945 "All America Rose" winners, and a splendid rose in every respect. The long pointed orange pink buds are extraordinary for their length and beauty of form. As the big, full, double flower opens it becomes a deep apricot-pink with lighter shades of salmon and coral-pink. The heavy textured flowers keep a long time after cutting. The plant is tall, upright and vigorous, with long straight stems and broad leathery foliage. Patent Pending. \$2.00 each.

LOWELL THOMAS

A new, butter-yellow rose, named for the popular news commentator, which is one of the "All American Roses Selections" for 1944. This variety has pointed buds and large, open flowers of some thirty petals, and is moderately fragrant. The color holds up well for a yellow, and the plant is strong and vigorous in growth. Pat. No. 595. \$2.00 each.

MIRANDY

The first place award winner of "All America Rose Selections" for 1945. We have had this new introduction in our test gardens for several years and can recommend it without reservation. The large, long-pointed, ovid buds are a deep rich dark red with black shadings, opening to a huge 50 petaled flower. The gorgeous blooms are long lasting, have a wonderful fragrance, and are produced continuously all season. The plant of Mirandy is a big, husky upright grower. Pat. No. 632. \$2.00 each.

MME. CHIANG KAI-SHEK

This new lovely rose has been named in honor of the First Lady of China. Its long-pointed buds of light, canary-yellow open full to creamy-yellow, long stemmed flowers over dark green, large and leatherly, disease resistant foliage. In our trials, the plant has been most vigorous in growth, with a strong upright habit, and a heavy producer. Highest award winner in "All America Rose Selections," for 1944. Patent Pending. \$2.00 each.

PEACE

The "All America" award winner for 1946, and the outstanding new rose of the year. The immense flowers are lemon-yellow and edged with rose-pink. The plant grows tall and vigorous and the lovely buds are borne on strong, erect stems. A "must" for every garden. Pat. No. 591. \$2.50 each.

PEARL HARBOR

"The Memory Rose." A plant of tremendous vigor that will grow and bloom freely under most adverse conditions. The upper surface of the petals is a delicate shade of shell pink, with golden bronze shadings at the base, and the reverse is vivid Tyrian rose. This new 1944 rose is practically thornless. Patent Pending. \$1.50 each.

REX ANDERSON

The creamy white buds are long and pointed, high centered, and are freely produced on a large, strong vigorous bush. We admire this Mc Gredy rose more each year, and consider it the best of all white roses. Pat. No. 335. \$1.50 each.

SANTA ANITA

Another newcomer which we regard as one of the finest clear pink roses to be found anywhere. The lovely color and form of this variety in the bud or open flower make it exceptionally fine for cutting for home decoration. The buds are high centered, slender, and of a rich deep pink that does not fade. The tall bushy plants bloom heavily all season. Pat. No. 539. \$1.00 each.

SIGNORA

Long buds of burnt sienna, opening to a lighter hue toward Mandarin red and salmon. Tall growing with handsome glossy foliage. A masterpiece in both plant and bloom. This variety always greatly admired in our garden. Pat. No. 201. \$1.25 each.

SPRINGTIME

One of the most lovely large flowered Floribunda roses we know. The color is a sparkling light rose-pink of pure and even tone. Flowers are about two inches in diameter and borne in dense clusters. A delightful cutting rose. The plant is a good grower with healthy bright green foliage. Pat. No. 268. \$1.25 each; \$13.50 per doz.

STERLING

A magnificent flaming pink flower of superb form in bud as well as when open, which is one of our favorite roses. It has excellent foliage, grows strongly and blooms very freely in Summer as well as Autumn. Awarded the Hubbard Medal in 1939 for the best American Rose produced in the five years prior to that time. Pat. No. 21. \$1.25 each.

TEXAS CENTENNIAL

A most striking rose of blood red, toning to cerise red in the center. A red sport of the very popular Pres. Hoover rose. Tall growing and vigorous. Pat. No. 162. \$1.25 each.

THE DOCTOR

A NEW pink rose that is breath taking in its beauty. The buds are long and pointed, many petalled, and expand to a simply enormous bloom, sometimes six inches across, in their fully developed state. The color is an exquisite silvery pink, uniform in color both in bud and open flower. Fragrance is so intense that it can be detected many yards away. \$1.00 each.

WILL ROGERS

Flower is very double, lasting and fragrant, and velvety maroon crimson in color. The plant is very vigorous and a profuse bloomer all season. One of the darkest red roses. Pat. No. 256. \$1.25 each.

Everblooming---

Hybrid Tea Roses

There are thousands of rose varieties, but we offer only the very best of both the new and the older kinds. Every rose in this list is a good one, so it's just a question of choosing the color and type that you prefer.

Red Shades —

Price: \$1.00 each; \$11.00 per doz.

CATALONIA

The bud is large, ovid, opening to a very double flower of bright scarlet, shaded orange. A vigorous bushy grower and prolific bloomer. Probably the most vivid rose in the garden.

CATHRINE KORDES

Its large, long-pointed, blood red bud opens into a lasting, dark scarlet, long-stemmed flower of great beauty. A very good, strong upright growing plant.

CHRISTOPHER STONE

An outstanding NEW, red rose that is acclaimed everywhere. A most brilliant shade of scarlet, with a velvety crimson sheen, makes this flower stand out in the garden. The long, pointed, well formed buds are ideal for cutting. Very prolific and fragrant.

E. G. HILL

A very large rose of dazzling scarlet, shading to a deeper red. Very double and large, and fragrant.

ETOILE DE HOLLANDE

A large dark velvety red rose that does not fade or blue. Has been considered for many years to be the best all around dark red rose for the garden.

GENERAL MAC ARTHUR

Dark scarlet crimson rose with intense fragrance. Large, many petalled blooms on a tall, upright growing plant. An admirable red rose.

GRENOBLE

Beautifully shaped, long stemmed blooms of scarlet crimson. Very fragrant and of exceptional form. A consistent and dependable performer.

HADLEY

An old favorite which is still a very fine dark red rose. The buds are double, long and pointed. A fine rose for cutting.

NIGHT

The darkest red rose we offer. The flowers are very fragrant, as are most red roses. The color is of deepest crimson, shaded maroon, giving the flower a black appearance.

POINSETTIA

We have no hesitancy in stating that this rose is the most brilliant red rose ever produced. "Crimson Glory" is admittedly a magnificent piece of color, but the color is dull by comparison. It is close to a Poinsettia-scarlet. The buds are ideal in form, long and pointed, of fairly full petalage, and a good grower.

RED HOOVER

Similar to the famous and very popular Pres. Hoover rose, except this variety is blood red in color. A very tall, husky growing plant that will outbloom most other roses.

RED TALISMAN

A red sport of the very popular Talisman rose of yellow and gold. Beautiful buds, freely produced on a fine upright growing bush. It is an excellent cutting and garden rose.

ROUGE MALLERIN

A very fine dark, velvety red rose. Flowers are very double, with many petals. It has that rich old Damask perfume that all red roses should have. Winner of many gold medals.

Pink Shades —————

Price: \$1.00 each; \$11.00 per doz.

BETTY UPRICHARD

One of those delightfully contrasting types; the outside a blend of deep toned carmine with coppery orange, the interior being mostly a delicate salmon-pink.

CYNTHIA

One of the finest cutting roses we know. Long pointed buds of salmon and pink of exquisite form, which are produced in abundance all season. You will like Cynthia.

DAINTY BESS

The most popular single. Large clusters of wavy petalled rose-pink blooms with wine red stamens. Good cut flower, vigorous upright grower, prolific bloomer.

DAME EDITH HELEN

Extremely double, rich glowing pink of fine form and color. Very fragrant. Blooms are lasting and the plants, tall and vigorous.

EDITOR MC FARLAND

Very shapely buds, and perfectly formed brilliant pink blooms, a good cutting and keeping rose on a big robust plant. Named for the past president of the American Rose Society.

EDITH NELLIE PERKINS

Delicate colors blended in blooms of light cerise pink and gold. Plants grow vigorous and tall. A popular and favorite rose.

ISOBEL

Very large, bright orange-pink single flowers. Strong growing bush that is very prolific. A favorite.

LOS ANGELES

Flame pink, toned with coral and gold. Strong growing plant. Should be in every garden.

PICTURE

It is truly a picture, and another outstanding Mc Gredy variety. Flowers have classic form, are high centered, with the outer petals reflexed. Color is a velvety rose pink with an undertone of salmon. An abundant bloomer with sweet pea fragrance.

PINK DAWN

The long pointed buds are of a deep rose pink, with an orange undertone. The flower is very double, with splendid lasting qualities and is unusually fragrant. The plant is a profuse bloomer and a vigorous upright grower. We can recommend this variety highly to the most critical.

RAPTURE

An old variety that is still very popular. The color is a bright light pink, toned with apricot.

Yellow Shades —————

Price: \$1.00 each; \$11.00 per doz.

FEU JOSEPH LOOYMANS

Golden orange buds, opening to cup shaped flowers of striking yellow, tinged with apricot; very fragrant and double.

GOLDEN DAWN

A sweetly scented, very double flower of rich sunflower yellow. Very vigorous, bushy grower. Glossy, disease resistant foliage.

GOLDEN RAPTURE

A splendid NEW yellow rose of which we are very fond. Long lasting, beautifully formed buds, opening to fully double, rich yellow blooms. A vigorous grower, with long strong stems.

JOANNA HILL

A deep cream yellow of perfect form. One of the finest and most dependable roses grown. Especially valuable for cutting and display purposes. A consistent winner at all rose shows.

MRS. E. P. THOM

Profuse strong bushy plants, with blooms of a deep canary yellow. One of the best and most popular yellow roses.

MRS. PIERRE S. DU PONT

Fragrant flowers of a deep golden yellow. For form and color, this rose is among the best, and certainly the most prolific. Attractive glossy foliage that is highly disease resistant.

PEDRABLES

The long pointed yellow buds gradually open to cream and finally glistening white, with a cushion of yellow stamens. Fragrant. Makes huge robust plants, and produces more flowers than most varieties.

SOEUR THERESE

It has a long pointed bud of golden yellow, often streaked with carmine, opening to a large semi-double flower. Foliage is leathery and disease resistant. Fine variety.

SUNKIST

An improved form of the famous Joanna Hill rose. Double, long lasting coppery orange blooms on long straight stems ideal for cutting.

White Shades —————

Price: \$1.00 each; \$11.00 per doz.

CALEDONIA

One of the best white roses. Long buds, and large double, lasting blooms that are especially valuable for cutting.

INNOCENCE

Large semi-single white with golden yellow stamens. Bush is a strong grower with dark green healthy foliage. Flowers are often 6 inches across. 6 to 12 petals.

MC GREDY'S IVORY

Another splendid white rose. Buds are long and pointed, of good form, opening to a perfectly formed flower of creamy white, with yellow at the base of the petals. Excellent for cutting or shows.

MME. JULES BOUCHE

An old but popular white variety. Nicely formed white buds that show a slight blush in the center as the bloom opens. Fragrant.

Two-Tone Shades

Price: \$1.00 each; \$11.00 per doz.

AUTUMN

An unusual combination of deep burnt orange and pink, streaked with red. Bush is a strong upright grower. Very popular.

CONDESSA DE SASTAGO

The flower is a deep reddish copper on the inside of the petals, with a reverse of deep golden yellow. Plants grow unusually tall and vigorous. Very striking, and always admired.

DUQUESA DE PENARANDA

Large pointed buds, opening to a big double flower of coppery apricot and bronze. One of the finest of the highly colored newer roses.

HINRICH GAEDE

Another brilliant two-toned rose of vermillion and old gold. Well formed long pointed buds, good for cutting, and most colorful in the garden.

MME. JOSEPH PERRAUD

Judged the most beautiful rose of France for 1934. Long slender buds of nasturtium orange open to double, fragrant flowers of creamy yellow, with shell pink at the edge of the petals. A strong upright grower, and a prolific bloomer. An exhibition rose of highest quality.

MRS. SAM MC GREDY

A wonderful combination of colors: scarlet, orange heavily flushed with red on the outside of the petals. Buds are large, long pointed; flowers double, fragrant, and very lasting. Possibly the most famous McGredy rose.

PRES. HERBERT HOOVER

Long pointed buds of orange scarlet, opening to a very large flower of orange and pink. Good cutting variety, and a tall upright, strong grower. A famous American rose that outsells all others.

TALISMAN

The color is a mixture of red, yellow and copper in varying proportions. The buds are long, making it an excellent cut flower.

Hardy Shrub Roses

Price: \$1.00 each; \$11.00 per doz.

AMERICAN BEAUTY

An older favorite that has continued popular for many years. American Beauty red flowers on a large shrub like plant, that blooms heavily.

AUSTRIAN COPPER

The very showy and early blooming Austrian brier or shrub rose. The single, brilliant flowers are orange red on the inside of the petals and yellow on the outside. Spectacular in bloom.

FRAU KARL DRUSCHKI

Snow white, with long buds that are shaded pink, and open to immense double flowers. A Hybrid Perpetual that blooms all Summer.

HUGONIS

The "Golden Rose of China." Extremely hardy and flowers in May. The graceful arching branches are completely covered to the tips with dainty single yellow blooms in the Spring. May be used among the shrubbery or as a hedge.

Polyantha and Floribunda Roses

This classification of roses includes those that were formerly listed as hybrid polyanthas, large and small flowering polyanthas, and the low growing hybrid teas. They are fast becoming popular for mass plantings as they produce a mass color effect over a long period of time. They are very Winter hardy, and usually flower in clusters. The following prices are for top size, number one grade, two-year-old plants only.

CECILE BRUNNER

The "Sweetheart" rose, used extensively for bridal corsages by the florists. Small dainty buds of clear pink of perfect form. Our plants are own-root, very free flowering. \$1.00 each; \$11.00 per doz.

CECILE BRUNNER (SPRAY)

An improved type of the "Sweetheart Rose," in which the blooms come in mammoth sprays or trusses on a tall and vigorous plant. Small dainty buds of clear pink, with perfect form just like the regular Cecile Brunner rose. \$1.00 each; \$11.00 per doz.

ELSE POULSEN

Large flowered, two-tone, bright rose-pink flowers of great size, produced in sprays. Tall growing, thrifty plants. \$1.00 each; \$11.00 per doz. Medium grade for hedges; 80c each; \$8.00 per doz.

FLUFFY RUFFLES

Produces a mass of attractive soft, silvery pink semi-double blossoms, displayed in compact trusses. This large flowered Polyantha with the ruffled, wavy flowers is outstanding for border planting in the rose garden. \$1.00 each; \$11.00 per doz.

FOLKSTONE

A new, very fine polyantha of crimson scarlet. The blooms are semi-double and come in large clusters continuously through the Summer. Recommended where a mass of color is desired. \$1.00 each; \$11.00 per doz.

IMPROVED LAFAYETTE

One of the most profuse flowering roses. Of strong habit, producing continuously a great mass of medium sized flowers all season, whose color is a deep glowing red freely suffused with vivid crimson. \$1.00 each; \$11.00 per doz.

PINK CHARM

A charming light pink polyantha of great beauty. Large trusses of dainty flowers borne all Summer that may be used for cutting or color in the garden. \$1.00 each; \$11.00 per doz.

PINK LAFAYETTE

Large flowered, semi-double blooms of an attractive shade of clear pink in large sprays. A very profuse flowering variety. Upright, strong growing plants make this a fine rose for mass plantings or borders. \$1.00 each; \$11.00 per doz.

POULSEN'S YELLOW

New Floribunda. Buds are copper yellow, coming in large clusters. Open flowers are semi-double, and intensely fragrant. A new color in this class, and a very lovely variety. \$1.00 each; \$11.00 per doz.

SNOWBANK

Buds buff-orange, opening to semi-single, blush-white flowers turning pure white, borne in large panicles that are very long lasting. Always in bloom. Excellent for mass planting or border. Pat. No. 279. \$1.25 each; \$12.50 per doz.

SUNSHINE

The flowers are small, fully double, golden orange when first opening, changing to soft pink. Blooms very freely on a pretty little dwarf plant. A few flowers will scent a whole room. \$1.00 each; \$11.00 per doz.

WORLD'S FAIR

Large clusters of velvety blooms of blackish scarlet. A fragrant variety, and heavy bloomer. "All America Roses Selections." 1940 Pat. No. 362. \$1.00 each; \$10.00 per doz.

Kirkland's

Climbing Roses

Climbers are generally divided into two types; the Everblooming, which may need some protection in exposed situations, and the very Hardy June blooming climbers. The Everblooming climbers are of the large flowered class, usually blooming intermittently all Summer. The June flowering climbers bloom only once in the Spring, and are of the strong growing or rambling types.

The following list contains climbers for every possible use, such as; pillars, screens, on fences, over archways, trellises, against walls, etc. There is a wealth of fine new varieties to choose from, and we have listed only those types most successful in our section. Top size plants only.

AMERICAN BEAUTY

An old favorite, hardy dependable climber. Produces great trusses of fragrant carmine blooms in the Spring. \$1.00 each.

BLAZE

Hardy everblooming scarlet climber. Blaze combines the vigor, beauty, and hardiness of Paul's Scarlet Climber. Pat. No. 10. \$1.50 each.

CALEDONIA

A magnificent, everblooming white climber. The large, long stemmed flowers are perfectly formed, and its many petals make this variety one of the best for cutting. A peer among white roses. \$1.10 each.

CECILE BRUNNER

This attractive climbing "Sweetheart" rose, with its great quantities of perfect little miniature pink buds and flowers is a great favorite everywhere. Exceedingly vigorous, with dense handsome foliage. You can cut a bouquet of beautiful buds from it any time in the season. \$1.25 each.

COUNTESS OF STRADBROKE

This striking variety is Everblooming, producing the most beautiful flowers imaginable, whether on a bush or climber. The large double blooms are a deep glowing velvety crimson in color, being highly fragrant. The big long stemmed flowers are of exhibition quality. Always admired in our gardens. \$1.25 each.

COUNTESS VANDAL

A small growing climbing sort of the famous bush "Countess." A splendid producer of those beautiful two-toned flowers that are even larger and finer than the bush variety, if that can be possible. Blooms constantly. Pat. No. 38. \$1.25 each.

CYNTHIA

Everblooming climber of salmon and pink. Long pointed buds are produced in abundance all season. You will like Cynthia as we think it one of the finest of all cutting roses. \$1.25 each.

DAINTY BESS

New. The most popular of all single roses now available as a climber. Strong growing Everblooming climber with flowers the same as the bush. \$1.10 each.

ETOILE DE HOLLANDE

A climbing and Everblooming form of the most popular bush variety. A very large, dark velvety red rose that does not blue or fade. Considered one of the finest. \$1.10 each.

GENERAL MAC ARTHUR

A dark, scarlet crimson rose with intense fragrance. The flowers of this repeat blooming climber have many petals, and come on good stems. \$1.10 each.

GOLDEN CLIMBER

Its yellow buds of the Hybrid Tea type are flecked with orange scarlet and come on stems 18 inches long. The fine quality of the flowers make it excellent for cutting. Needs a position in full sun and protection from severe winds to flower best. Pat. No. 28. \$1.50 each.

HADLEY

Large, perfectly formed blooms of rich crimson. Fragrant, and fast growing. Same as the bush variety. Everblooming. \$1.10 each.

HEART'S DESIRE

A climbing form of the very lovely Heart's Desire rose, and identical in all respects except habit of growth. A red Everblooming climber that has everything your heart could desire. \$2.00 each.

JOANNA HILL

An Everblooming climbing sport of the lovely Joanna Hill bush variety. Deep creamy yellow buds of perfect form on long stems that are especially valuable for cutting and display. A lovely new climber. \$1.10 each.

MARY WALLACE

Large flowers of brilliant warm pink of fine quality and form. Early blooming, strong growing, and very hardy. June blooming only. \$1.00 each.

MME. EDOUARD HERRIOT

One of the most popular and spectacular climbers grown. A free bloomer of coral red toned yellow at the base of petals. \$1.10 each.

MRS. E. P. THOM

The same rich yellow, well formed buds and flowers as the bush variety. Long stems make this a fine cutting type. Everblooming. \$1.10 each.

MRS. SAM MC GREDY

New, Everblooming rose of great merit. Color of the buds is scarlet-orange, changing to copper as the bloom matures. Long beautiful buds on fine stems, combined with a healthy vigorous plant with red canes and attractive bronzy foliage, make this one of the most outstanding roses grown. Pat. No. 384. \$1.25 each.

PAUL'S LEMON PILLAR

Strong growing, Spring blooming climber of lemon yellow color. The flowers are double, full, well formed and fragrant. One of our favorite climbers. \$1.00 each.

PAUL'S SCARLET

The most popular and widely planted climber in Utah. A spectacular rose in the Spring, producing a mass of medium size, intense, vivid scarlet flowers. \$1.00 each.
